

**Comment avoir un projet  
Onshape propre**

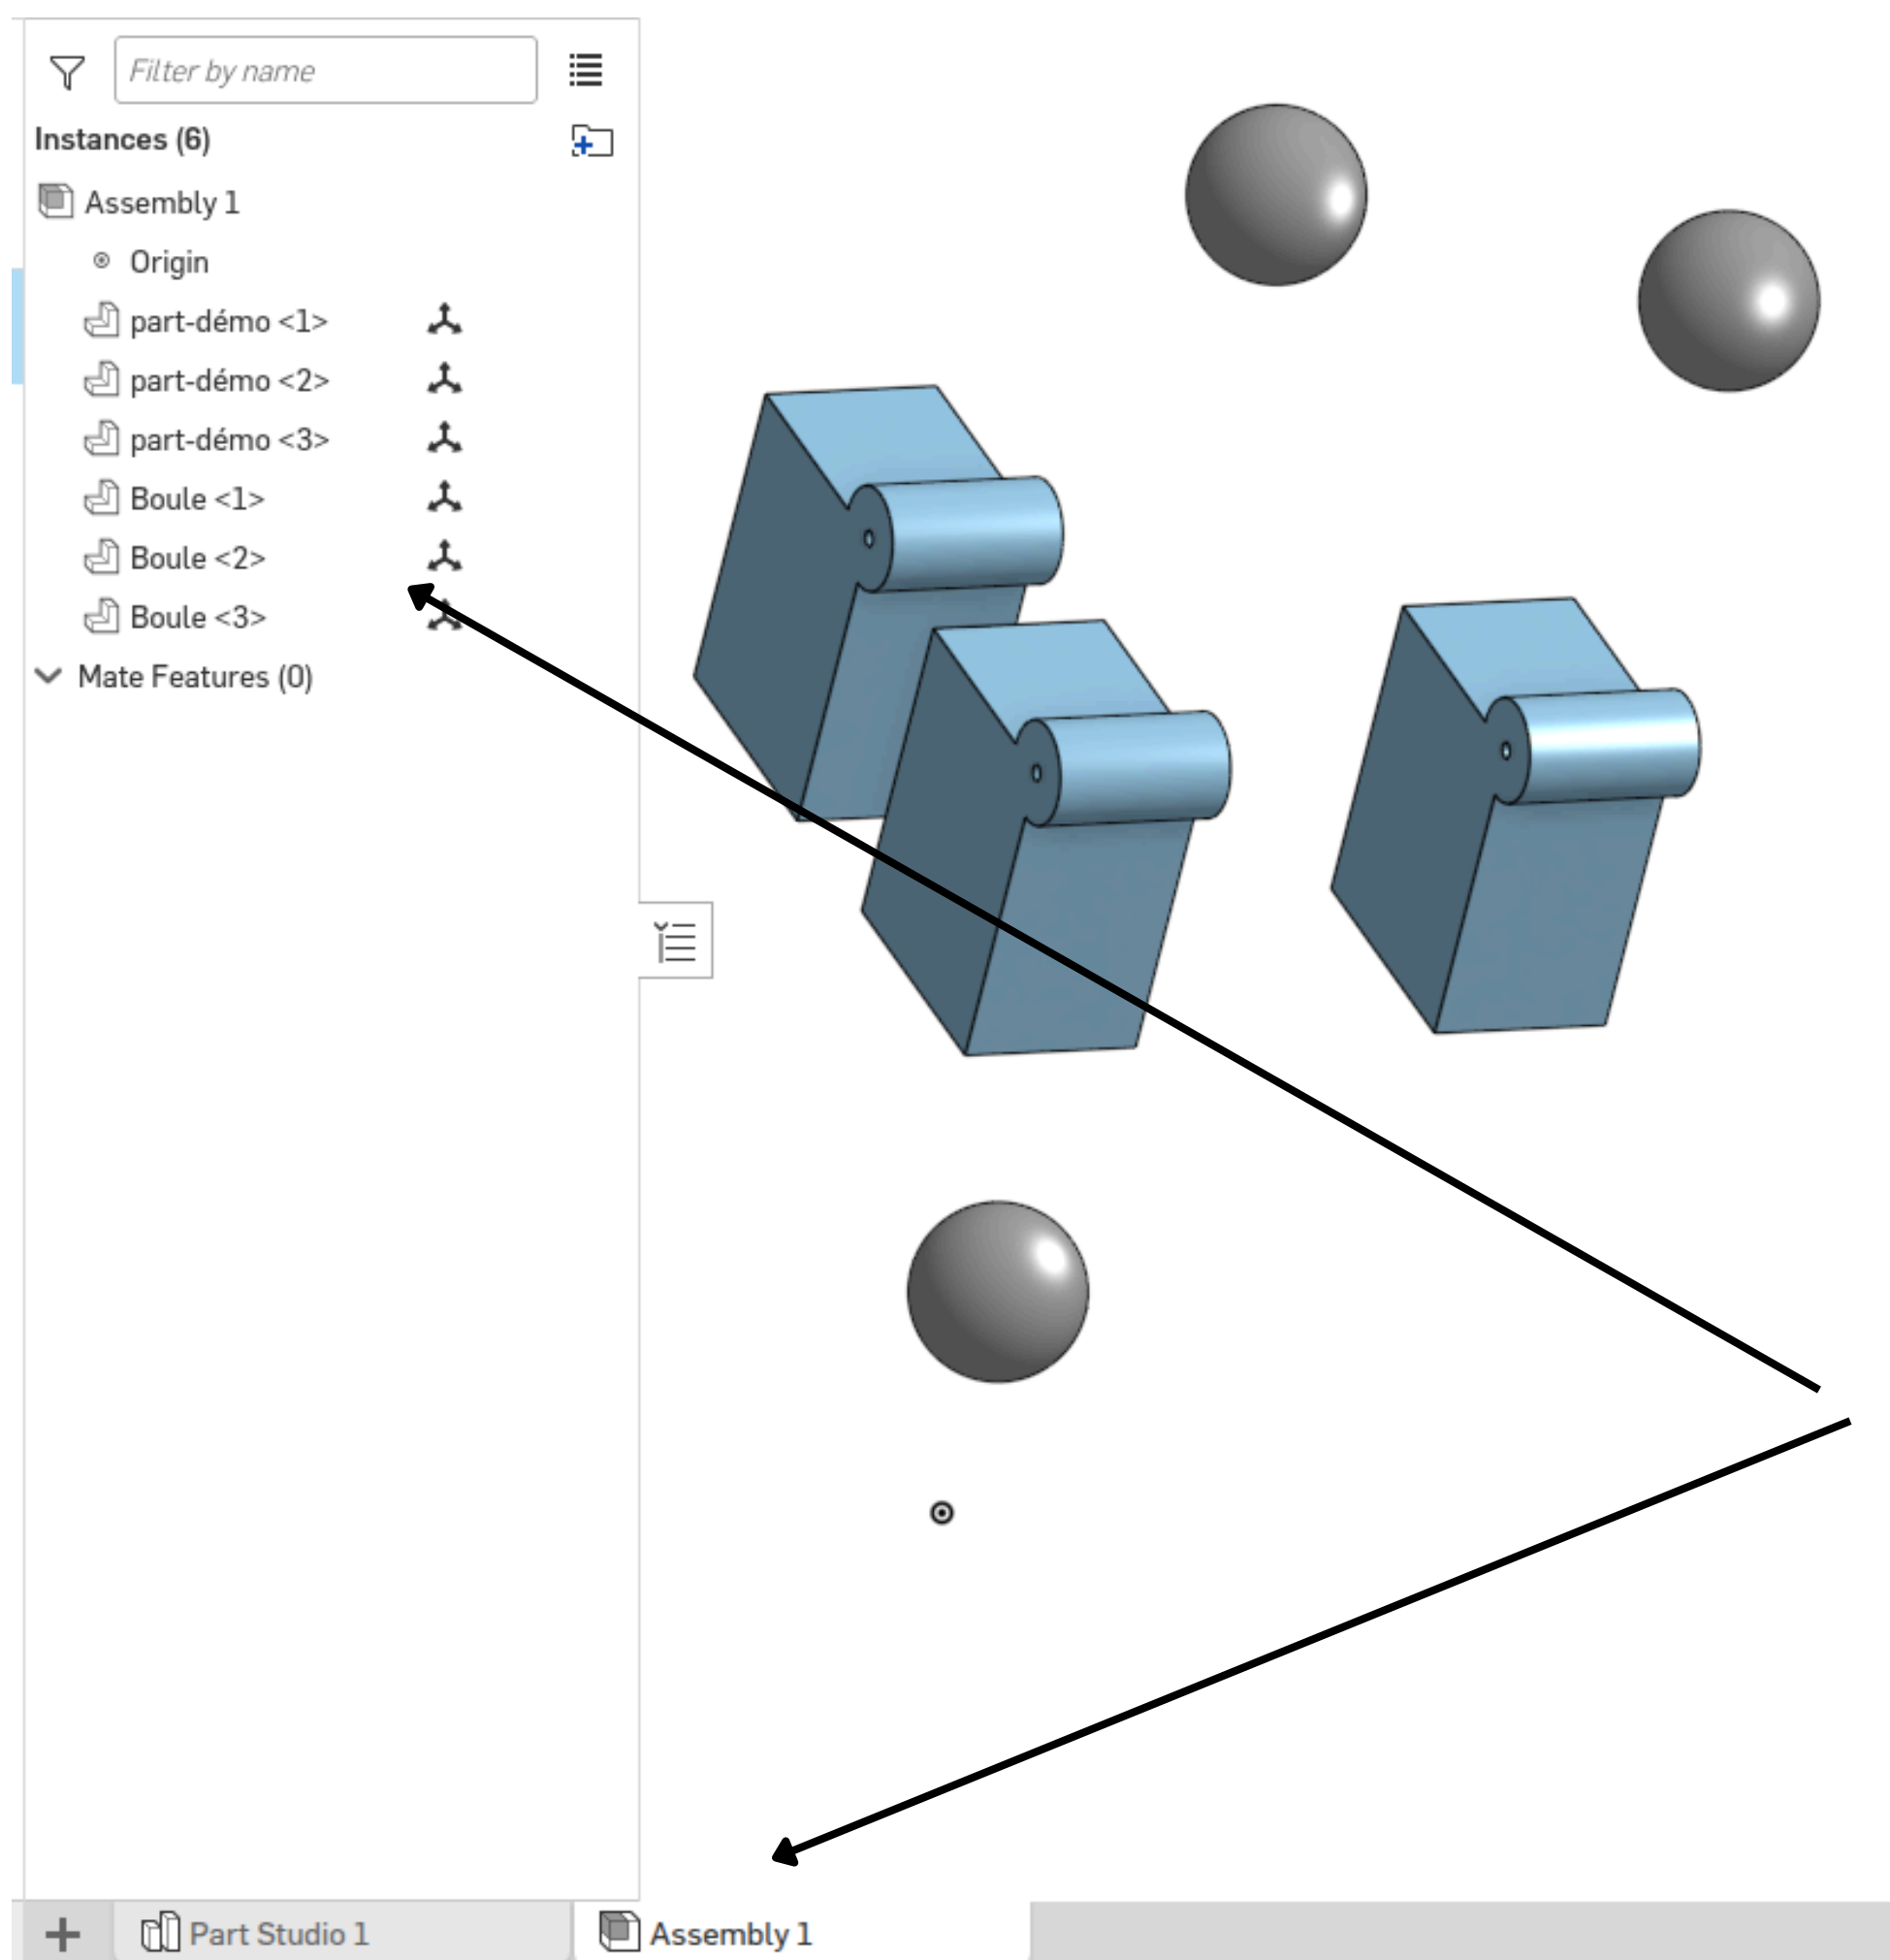

# 1) Renommez les sketches, extrudes etc... !!

Comment tu te repères avec ça?

# 1) Renommez les sketches, extrudes etc... !!

Cela permet aussi à se repérer lors de l'assemblage, surtout s'il y a plusieurs composants différents

# 1) Renommez les versions de manière explicite

onshape Devoir\_ete Version2... Devoi
